Check out the ACP question
and answer for Boss. Want to
get to him tonight

Ok Looking now

I think it is solid. I don't
necessarily think we need to
take a shot at the pork barrel
fund since the implication is
that those projects were not
good My guess is that
somewhere, or at least were
regarded that way by the locals

Also it's not clear to me the
secretaries will be the actual
trustees, that I know that is
what has been discussed.

I'm not sure the secretaries
even know this

That whole section was new
